

Sprint 0 – Retrospective Meeting Minutes

1. Retrospective Meeting Notes

What the team did well during the sprint

- A basic skeletal app was developed, enabling recognition of additional requirements.
- The team is working well together.
- Communication is open and clear.

What went wrong during the sprint

- Unfamiliarity with coding styles across team.
- The time needed for the documentation was underestimated.
- Data obtained for simulations was not sufficient.

What can be improved for the next sprint

- A set flow of tasks should be established.
